

The Ultimate Learning Destination

Conflu**Learn**

Learning **Beyond Classroom**

Creative mentality

Divergent thinking

Strive to know more

Joy in learning

Welcome to Education on the Cutting Edge

What makes us unique?

► Individualised education

Helping every child to learn as per their unique learning style

► Inspiring classroom sessions

Understanding takes place through the integration of the multi-faceted experience which builds the long-term memory

► Balance of freedom and logical limits

Helping every child become self-reliant, motivated and ability to learn the way he loves. Study material is presented and setup in a way that helps the child to see cause and effect.

A platform meant for all

INSTITUTIONS

STUDENTS

TEACHERS

PARENTS

Making your child a DIVERGENT THINKER

Building an environment
around your child

that offers a variety

of experiences:

**multi-sensorial,
multi-faceted,
multi-discipline.**

The word **MULTI** is the key in
making your child

an **independent
divergent thinker**

- K12 education at its best
- Thinking beyond classroom
- Imbibing the love for learning
- Inculcating the confidence to succeed
- Preparing the child for the future
